## SUBJECT INDEX

Abdominal aortic aneurysm repair, infrarenal, endovascular options and, 700

Abdominal flap, obesity in survival with, 764

Abdominal surgery, risk factors of in collagen disease, 843

Abdominal trauma

CT in management of, 943 mesenteric injuries atter, 955

Ablation, cryo versus radiofrequency, 391

Abscess, splenic, 322

Academic success, of female academic surgeons, 1153

Academic surgeons, female, 1160, 1161

Accreditation, American College of Surgeons in, 1005 Accreditation Council of Graduate Medical Education Work-Week Guidelines, for treating critically ill patients, 497

Acellular dermal allograft, for ventral hernia repair, 1181

Acute pain patient, competency assessment tool in, 154

Acute respiratory distress syndrome, late-phase, glucocorticoid rescue for, 644

Adenosquamous carcinoma, of colon, 754

Adhesion formation, intraabdominal prosthetics shrinkage and, 808 Administrative data, hazards of using, 1031

Adrenal insufficiency

in critically ill trauma population, 373 in hemorrhagic shock, 552

Adrenal myelolipoma, case report and literature review of, 649

Adrenalectomy, for pheochromocytoma, 232

Adrenergic agonists, in vascular smooth muscle cell migration regulation, 51

Advocacy, American College of Surgeons in, 107

Allelotyping, microdissection-based, 445

Allograft, acellular dermal, for ventral hernia repair, 1181

American Board of Surgery

certification goals of, 1092

certification of female academic surgeons, 1153

in-training examination percentile scores of (ABSITE percentile scores), 1176

American College of Surgeons

in future of surgical quality, 1133

role of, 107

safety issues of, 1005

Ampulla of Vater, signet ring carcinoma of, 193

Amputation

healing predictors for, 973

obesity as functional outcome predictor in, 707

traumatic, in subway accidents, 74

Anastomosis, handsewn versus double-stapled, 912

guidelines for, 1133

safety of, 985

Aneurysms, celiac artery, case report and literature review of, 746

Angelchik prosthesis, laparoscopic removal of, 724

Antibiotics, modulation of in chronic intraabdominal infection, 655 Antimicrobial-impregnated mesh, intra-abdominal placement of, 1205

fistulas of, intraoperative physical diagnosis in managing, 11

melanoma of, factors in survival with, 917

Aorta, blunt injury of, management options in, 25 Aortic aneurysm repair, endovascular options and, 700

Appell, Kenneth Charles, historical vignette of, 172

Appendectomy

laparoscopic, advantages of in elderly, 474

stump appendicitis risk after, 162

Appendicitis

acute, in children versus adults, 409

clinical pathways for in children, 885

CT in assessing, 326

retrocecal, 890

of stump, 162

tagged white blood cell scans for in pregnant patients, 894

Appendix

cancer of, peritoneal carcinomatosis and, 714

diverticulitis of, 221

Arterial embolization, mesenteric, recurrent hemorrhage after, 802

Arterial reconstruction, after pelvic exenterative surgery, 22

Arteriography, selective carotid, initial experience with, 684

Arteriovenous fistula, autogenous, failed, thrombectomy for, 1231

Arteriovenous graft, mid-thigh loop, patient selection, technique, and results in, 825

Ascites, peritoneoclysis shunting for, 544 Asystole, recurrent, from high cervical spinal cord injuries, 525

Autopsy

after fatal motor vehicle accidents, 282 of delayed diagnosis and missed traumatic injuries, 174

Axillary nodes

dissection of, in surgical residency training, 791

regional recurrence in after sentinel lymph node biopsy for breast cancer, 939

Bacterial contamination, in neointimal hyperplasia in vascular grafts, 1168

Bariatric surgery. See also specific procedures

outcomes of in elderly, 865

outcomes research and quality of, 1055

quality indicators in, 870

Bedside procedures

modified Clagett, for empyema after pulmonary resection, 627

percutaneous tracheostomy, evaluation of, 970

β-adrenergic receptors, in vascular smooth muscle cell migration regulation, 51

Bile duct, common

MALT lymphoma of, 85

obstruction of with biliary-colonic fistula, 347

Bile leaks, after laparoscopic cholecystectomy for acute cholecystitis,

Biliary-colonic fistula, case report and literature review of, 347 Bipolar electrosealing device, in thyroidectomy efficiency, 132

glucose level of, in predicting injury severity, 613

transfusion, in infection and increased resource utilization in combat casualties, 619

Blunt trauma abdominal

CT in management of, 943

mesenteric injuries after, 955

aortic, management options in, 25

chest, 31, 307

chyle duct injury in, 116

detecting cervical spine injuries in geriatric patients with, 773

pediatric, 538 radiographs in

routine pelvic, utility of, 951

trauma bay, 31

rib fracture stabilization after, 307

in tension pneumopericardium, 330

Cartographies of disease. Maps, mapping, and medicine, 371

Health politics: Power, populism and health, 371

Portable surgical mentor: A handbook of protocol for interns and residents in surgery, 463

Bowel resection, for Richter hernia, 180

Brachial arteriovenous fistula, in central venous catheter placement,

Brachial plexus, upper trunk variations of, 188

Brachytherapy, local breast cancer recurrence after, 798

Brain death, complications of, 377 Brain injury, mild, neurosurgical consultation in, 1162

### Breast

conservation surgery of, neoadjuvant chemotherapy and, 935 lobular carcinoma of, gastric metastasis after mastectomy for, 456 neuroendocrine tumor of, 185

partial irradiation of, MammoSite device in, 929

### Breast cancer

axillary regional recurrence of, 939

local recurrence of after MammoSite brachytherapy, 798

mammography effect on surgery of, 167 managing in renal transplant patient, 150

neoadjuvant chemotherapy and breast conservation surgery for, 935

partial radiation therapy for, 929 prognostic factors in survival of, 1189

sentinel lymph node biopsy for occult, 397

in residency training, 791

Breast reduction surgery, occult breast cancer detected during, 397 Bronchopleural fistula

closure of in bedside modified Claget procedure, 627 traumatic, independent lung ventilation for, 530

Bronchoscopic-assisted percutaneous tracheostomy, evaluation of,

Bronchus, spent bullet in, 345

### C

Cadherin expression, in Japanese intestinal-type gastric cancer, 332 California Cardiac Surgery and Intervention Project, 978

Capsule endoscopy, clinical relevance of, 546

Carcinoembryonic antigen (CEA) postablation levels of, 382

as preoperative CT use predictor, 897

### Carcinoma

of ampulla of Vater, survival rate for, 193 nodal staging in, 118

parathyroid tumors suspicious for, 419

Carcinosarcoma, of pancreas arising in mucinous cystic neoplasm,

Cardiac output assessment, impedance cardiography in, 728

Cardiac surgery, public reporting program for, 978 Carotid angioplasty and stenting, safety and efficacy 694

Carotid arteriography, initial experience with, 684

Carotid body tumor, paragangliomas of organ of Zuckerkandl with,

Case reports, problems of for medical editors, 663

### Case volume

outcomes and, 1038

quality improvement and, 1046

Cecal volvulus, in child with CHARGE syndrome, 356

Celiac artery aneurysms, case report and literature review of, 746 Celiac axis compression syndrome, functional documentation of,

Central line placement, J-tip wire entrapment during (letter), 461 Central venous catheterization, peripherally inserted, complications of, 833

### Certification

American Board of Surgery goals in, 1092 American College of Surgeons in, 107

Cervical spinal cord injuries, recurrent asystole from, 525

Cervical spine injury, detection of in geriatric blunt trauma patients,

CHARGE syndrome, cecal volvulus in child with, 356

## Chemotherapy

neoadjuvant, in breast conservation surgery, 935

for soft tissue sarcoma, 665

Chemotherapy pumps, removal of, 880

Chest trauma, rib fracture stabilization after, 307 Children

appendicitis in, 409

clinical pathways for, 885

cecal volvulus in, 356

colon conduit redundancy in, treatment of, 260

hospital characteristics in surgical outcomes of, 739

pancreatic disorders in, 641

pelvic fractures in, 481, 962

perineal resection of intractable rectal prolapse in, 1212

trauma in

blunt, 538

deaths from, 249

Cholangiocarcinoma, hilar, portal vein resection for, 599

Cholecystectomy, laparoscopic bile leaks after, 265

liver function tests after, 1238

managing chylous ascites after, 60

Cholecystitis, bile leaks after laparoscopic cholecystectomy for, 265

hemorrhagic, adrenal insufficiency in, 552

Sigmoid colon cancer, metastatic to hand, 98 Signet ring carcinoma, of ampulla of Vater, radical resection of, 193

Simulation

in quality and safety improvement, 1097

surgical residents' perception of, 521

Situs inversus syndrome, safety of mediastinoscopy and, 64

Small bowel

stromal tumors of, in unexplained melena, 79

volvulus of, in pregnancy, 1218 Small bowel obstruction

giant hepatic hydatid cyst in, 405

giant mesenteric fibromatosis presenting as, 427

by wireless enteroscopic capsule, 1216

Smooth muscle cell culture, accelerated migration and proliferation

Soft tissue sarcoma, of extremity and trunk, 665

Solid organ injury, CT scan for, 943

Specialty elective surgery, small numbers of, 1043

Spigelian hernia, surgical anatomy, embryology, and repair of, 42 Spinal cord injuries, high cervical, recurrent asystole from, 525

Spinal injury, screening for in difficult trauma patient, 101

Spleen

abscesses of, missed diagnosis of, 322

diagnostic attention to (letter), 560

function of as indication for splenectomy, 565 rupture of, in infectious mononucleosis, nonoperative manage-

ment of, 401 Splenectomy

indications for, 565

postoperative infection rate with, 947

Split-thickness skin graft, laparoscopic greater omentum harvesting with, 829

Squamous cell carcinoma, human papillomavirus in, 49

Standards of practice, guidelines toward, 1017

Stenting

in blunt aortic injury, 25

carotid angioplasty and, safety and efficacy of, 694

Sternal wound

complications of, predictors and outcomes of, 515

dehiscence of, laparoscopic greater omentum harvesting with split-thickness skin graft for, 829 Stromal tumors

gastrointestinal, hypoglycemia in, 1225

small bowel, in unexplained melena, 79 Stump appendicitis, literature review of, 162

Subway accidents, traumatic amputations in, 74

Suicide, planned complex, 454

Surgeons, role of American College of Surgeons for, 107

Surgery

complications of, eight-year analysis of, 1070

future quality of, 1133

improvement of, 1082, 1120

improvement projects for, 1010

managing problems of in LVAD patients, 158

Surgical anatomy

for Littre hernia, 238 of Richter hernia, 180

in spigelian hernia repair, 42

Surgical assessment, outcomes of in women with pathological nipple discharge, 124

Surgical education. See Education, Residency programs

Surgical Infection Prevention Project, promise of, 1010

Surgical journals, case reports in, 663

Surgical quality programs, in Veterans Health Administration, 999 Surgical resection

for colorectal neoplasms, screening for, 89

for soft tissue sarcoma, 665

Surgical residents. See residency programs; Residents

Surgical techniques

in mid-thigh loop arteriovenous grafts, 825

in repair of Littre hernia, 238

for Richter hernia, 180

for spigelian hernia repair, 42

Surgical time-out, in concurrent data collection, 1021

Surgical training, of female academic surgeons, 1153

Survival rates

after regional therapy for metastatic colorectal cancer, 505

factors affecting in anal melanoma, 917

prognostic factors of in breast cancer, 1189

for radical resection of ampulla of Vater carcinoma, 193 for soft tissue sarcoma of extremity and trunk, 665

Teacher quality, in surgical education, 430

Teaching hospitals, quality and safety performance in, 1051

Tension pneumopericardium, case report and literature review of,

Tertiary survey (TS), routine use of, 174

Thermodilution, impedance cardiography versus, 728

Thoracic outlet syndrome, upper trunk variations of brachial plexus in, 188

Thoracic trauma, rib fracture stabilization after, 307

Thoracoscopic decortication, early, 688

Thoracostomy drainage, closure of in bedside modified Claget pro-

Thrombectomy, for failed autogenous arteriovenous fistulae, 1231 Thromboprophylaxis, posttraumatic, current status of, 757

Thyroid incidentaloma of, PET-positive, 272

papillary carcinoma of, sclerosing variant in prognosis of, 439 Thyroidectomy, safely increasing efficiency of, 132

TNM staging, in gastroesophageal junction carcinoma, 118

Tracheal trauma, penetrating, 345

Tracheostomy

bronchoscopic-assisted percutaneous, 970

early assessment of in trauma patients, 276

Transmetatarsal amputation, healing predictors for, 973

in future of surgical quality, 1133

unintended consequences of, 1126

Transplantation

brain death complications and organ retrieval for, 377

breast cancer management in, 150

Transversalis fascia, anatomy of, 16

Trauma

adrenal insufficiency in, 373

early tracheostomy in, 276 obesity and mortality after, 966

prophylactic inferior vena cava filter insertion for, 213

pulmonary embolism diagnosis after, 7

thromboprophylaxis after, 757

Trauma bay chest radiography, in stable blunt trauma, 31

Trauma centers

level I, pediatric blunt trauma in, 538

pediatric trauma deaths in, 249

resource consumption and mortality in, 1

work-hour restrictions in, 35

Trauma nurse specialists, positive impact of on residency time constraints, 224

Traumatic amputations, in subway accidents, 74

Traumatic bronchopleural fistula, independent lung ventilation for,

Traumatic injuries

brain, neurosurgical consultation in. 1162

delayed diagnosis and missed, 174

evaluating extubation protocol in, 393

fatal, clinical findings correlating with autopsy results in, 282 of inferior vena cava, mortality predictors and management of, 290

postsplenectomy infection with, 947

spinal clearance in, 101

Treatment disparities, in Hispanic rectal cancer patients, 906

Tuberculosis, rare presentation of, 96

Ultrasonography

in splenic abscess diagnosis, 322

venous, in pulmonary embolism diagnosis, 7

Upper gastrointestinal bleeding, endoscopic approaches to, 111

V-Y advancement flaps, bilateral, for perianal skin defects, 631

Vacuum-assisted closure therapy, for large infected facial wound,

Varicose veins, endovenous laser ablation for, 672

Vas deferens obstruction, fibrosis in, 137

Vascular grafts, bacterial contamination in neointimal hyperplasia in, 1168

Vascular smooth muscle cell migration, β-adrenergic receptors in regulating, 51

Vascular surgery

initial experience with carotid arteriography in, 684

morbidity and mortality in, 1109

Vascular occlusive disease, in ischemic proctitis, 1241 Vena cava filter

J-tip wire entrapment in (letter), 461

smooth muscle cell migration and proliferation induced by, 491

Venous duplex scan, in post-traumatic pulmonary embolism diag-

Venous reconstruction, after pelvic exenterative surgery, 22

Venous thromboprophylaxis, after trauma, 757

Ventral hernia

open reconstruction of, 139

repair of

acellular dermal allograft for, 1181

antimicrobial-impregnated mesh for, 1205
Veterans Health Administration, surgical quality programs in, 999
Video capsule endoscopy, clinical relevance of, 546
Vitamin deficiency, after laparoscopic Roux-en-Y gastric bypass,

1196

Volume-outcome relationship

debate over, 1038

in quality improvement measurement, 1046 value of, 1061

Whipple procedure, personal experience with (letter), 756 White blood cell scans, tagged, in pregnant patients, 894

Wireless enteroscopic capsule, small bowel obstruction by, 1216 Work hour restriction

benefits of, 35

in clinical training, 19

Wounds

conventional treatment of, outcomes in, 314 dehiscence of, laparoscopic greater omentum harvesting with split-thickness skin graft for, 829

healing of, vacuum-assisted closure therapy and, 129
